

FIBRE CLINIX™ FORTIFY

FOR DAMAGED AND OVER-PROCESSED HAIR

OUR MOST ADVANCED AND POWERFUL REPAIR PERFORMANCE

- + Help maintain bonds at home until the next salon visit with the new FIBRE CLINIX home care regimen.
- + FIBRE CLINIX FORTIFY with Niacinamide strengthens the hair from inside out. **Niacinamide** is also known as Vitamin B3. It is a powerful antioxidant, used to neutralize the damaging free radicals created by the environment and to reduce signs of aging.

*When used with FIBRE CLINIX
Fortify regimen

Together. A passion for hair.®
